Dear FEC

I have been trying for over a week to get this form appropriately filed, while on vacation overseas.

I am sorry for the delay, there is no good excuse.

However, your online form errs out in the first line, so I could not file electronically.

I tried filing without the FEC-assigned registration number, but after a few days of not receiving a receipt for its filing, I figured it had not worked.

I could not download the software. Your software download system could not find my appropriately-filed entity.

I finally gave up and decided to paper-file, as no other system was working for me.

Again, I apologize for the delay, but your own online systems are pretty  up, and this should be addressed.

Your, etc.
